NOVEMBER PROGRAM

November 15 at 8:00 p.m. in the Lafayette School Auditorium--featured will be films about the building of Golden Gate Bridge. This will be a great opportunity to learn more about this important part of Bay Area history!

HORSE AND CARRIAGE PARADE

What a thrill to see "Old Betsy" leading the parade--George Wasson and Hubbard Anderson were the drivers! Joan Merryman and her committee were busy selling T-shirts at the parade; thanks to Joan, Betty Kruger, Chris Schreiber, Mrs. Alfred Gaustad and Jil and Bil Plummer. Thanks also to Bil Plummer for the terrific posters advertising the T-shirts which he had made.

SPECIAL DISPLAYS

An exhibit of photographs from the Historic Guide to Lafayette can be seen now at Lafayette Federal Savings and Loan Association. During November and December, a Christmas-themed display will take its place.

Joan Merryman has installed an exhibit dealing with the history of Lafayette's Town Hall in Lafayette Library. The exhibit will be there through the month of November.

CHRISTMAS SHOPPING

Watch for our display at the November meeting; we have T-shirts, stationery, and historic post cards--they would all make welcome and unique gifts!

SPECIAL EDITION

Many thanks to the Lafayette Sun for the special parade edition which it printed and distributed at the Horse and Carriage Days parade.

NEW MEMBER

A warm welcome to new Lafayette Historical Society member, Merritt Rowland.

DEDICATION IN ORINDA
